

Admissions Frequently Asked Questions

What steps are involved with the Admissions Process?

To begin, simply call the school office to set an appointment to tour the school and pick up an application. The completed application and entrance-exam fee of \$100 is needed to begin the process. Additional required items are teacher recommendation forms, church recommendation forms, a physician's release, immunizations, and two-years of grades and standardized testing results (when applicable). Once results have been received for the entrance exam and all additional items have been received, the admissions committee will review the file and make recommendations to the Headmaster. The final step in the process is a meeting between the Headmaster and family.

What is the student/teacher ratio at Harvest?

Class sizes are determined by grade level; however, small class sizes are generally maintained to ensure an optimal learning environment.

Are your teachers licensed and degreed?

All teachers at HCA are licensed by the State of Texas, certified by ACSI and degreed.

Are there openings in my child's grade?

Availability is determined on a class-by-class basis and can change. Please contact the HCA Admissions Office at 817-485-1660 x102 to determine current availability.

How important are results on the entrance exam? Do they determine whether or not my student will be accepted?

There are many factors considered in the admissions process. Testing does play a role in determining the probability of your student's success at Harvest. Other considerations are teacher recommendations, church leader recommendations, grades, past standardized testing and the outcome of the family interview. Because HCA is an academically challenging, discipleship-focused school, we want to ensure that students and their families are a good fit in both areas.
